economic

# POLITIC

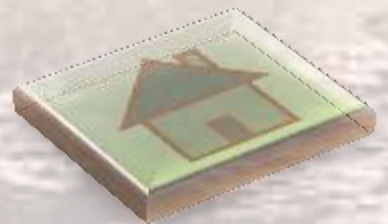

- *Both country are member of World Islamic Organization, one of the program is make peace in the middle east region and Islamic based country*
- *Indonesian people from Libya and Egypt have been evacuated through Jordan*
- *Jordan Royal Family meeting with Indonesia president*

# EDUCATION

- **Students from Indonesia are very much, maybe around hundred students right now are studying over there.**
- **Scholarship agreement has been established for such a long time especially for Al Albait university. Two favorite subjects are Arab language and Islam Culture**

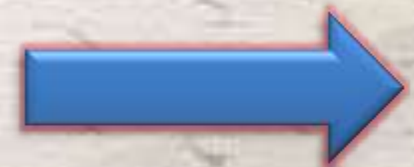

# Tourism and Civilization

- There was many civilization that pass through Jordan. So in Jordan, there are many building that belongs to many kind of old civilization, example : Roman Empire
- Jordan majority is Islam
- There are many tourist from Indonesia who visit Jordan

<http://amgah.blogspot.com>

# Jordan Impression

- *Important country in Asean and Asia*
- *Giant Country with huge economic growth*
- *Good in peace maker and fight against terrorism*
- *Many places for tourist, beautiful country*
- *Full of smile. The security is good*
